At The Coombe Clinic, we pride ourselves on offering high-quality, personalised aesthetic treatments in the heart of Somerset, just outside Taunton. Our tranquil countryside location sets the perfect tone for a calm and private experience. Founded by registered and experienced healthcare professional (midwife) Polly Kirkness, we bring together clinical expertise and a genuine passion for enhancing natural beauty. Whether you're new to aesthetic treatments or a returning client, we make it our mission to ensure you feel relaxed, informed, and cared for from the moment you walk through our doors. We specialise in a range of treatments designed to rejuvenate and refresh. Our anti-wrinkle injections help smooth out fine lines and restore youthful vitality, while our microneedling sessions stimulate collagen production, leaving your skin firmer and brighter. Our lip and dermal fillers offer a subtle and natural-looking boost for those looking to enhance their features. We tailor each treatment to your unique goals, ensuring a bespoke approach
